Molecular and Applied Biosciences Austria 2010

27.-29. September 2010, BOKU, Muthgasse

Call for proposals of "Student Sessions"

Proposals for a scientific session at the ÖGMBT Meeting Vienna 2010 are invited from students on any life science topic in the area of Molecular and Applied Biosciences.

The session (90 minutes) will typically include 5 speakers – one invited speaker (30 minutes including discussion) and additional speakers selected from abstracts. Student proposers are generally expected to chair the workshop. Before submission of the proposal, proposers should obtain consent of the invited speaker.

Student organizers should prepare a concept, which must clearly state

- a brief explanation of the topic,
- names of the chair / co-chair of the session,
- a timeplan of the session, (within an overall timeframe of 1,5h)
- choice of the invited speaker and the reason for his/her selection,
- CV of the applicant

Application deadline: 8 March 2010

Applications should be sent to Andrea Veitschegger (andrea.veitschegger@boku.ac.at). Concepts will be viewed by the Organizing Committee and applicants will be informed about the decision by the end of March 2010. A maximum of two student sessions will be selected. Selected proposers will organize their session together with the Organizing Committee of the conference. Travel and accommodation costs of the invited speaker and the chairing persons will be covered by the ÖGMBT.
